

UFSF Cleveland

Comments submitted by the Off-Highway Motor Vehicle Recreation (OHMVR) Division to individual grant applicants should in no way be construed as a guarantee of successful results for the applicant within the competitive grants process or a commitment of funding. Additionally, the lack of comments by the OHMVR Division to any specific applicant does not ensure successful results for the applicant within the competitive grant process or a commitment of funding.

All final applications will be reviewed by the OHMVR Division. The OHMVR Division may, at its sole discretion, decrease the requested amount and eliminate activities pursuant with regulation Section 4970.07.2 (f)(1-5) and for law enforcement projects, regulation Section 4970.15.3(b)(1-5).

Failure by applicant to respond to any OHMVR Division comment of their preliminary application shall be cause for eliminating that item from the applicant's application.

If multiple proposed projects are requesting funding for the same deliverable, and multiple projects are successful, only one project will receive funding for the deliverable.

For proposed projects requesting grant funding for snow and/or winter activities. Applicants must ensure the activities and/or equipment requested are not and/or cannot be funded by the OHMVR Division Winter Program (commonly referred to as the Snow Grooming Program).

For proposed projects requesting grant funding for the maintenance of roads and/or trails, note that only roads and/or trails that allow "green sticker" off-highway vehicles are allowed to receive grant funding. Additionally, Applicants may not charge a use fee for vehicles and/or Equipment purchased with OHV Trust Funds, except for fuel and minor maintenance cost.

Applicants are reminded that no grant funds and/or match can be expended or project activities conducted in any land owned or managed by the California Department of Parks and Recreation.

General Evaluation Criteria

- #1b(v) – Applicant is advised the ratio score contained in #1b(v) will be auto-populated and made official by the Division at final application submission.
- #2 – #5, Applicant must verify response by final submission.
- #12a&b – Applicant must verify response by final submission.
- #13 – Applicant must verify response by final submission.

Ground Operations – North

G16-02-02-G01

Project Description

- No comment.

Project Cost Estimate
<ul style="list-style-type: none"> Staff – All positions, Applicant must budget the Unit of Measurement by hour vs. by day. Equipment Use Expense – “Materials/Supplies”, Applicant must provide additional details on what type of repairs and services are anticipated.
Evaluation Criteria
<ul style="list-style-type: none"> #3 – Project Description does not support “Providing varied levels of riding difficulty...”. #7 – Project Description does not support “Other product with recycled content...” are made with recycled materials.

Ground Operations – South	G16-02-02-G02
Project Description	
<ul style="list-style-type: none"> No comment. 	
Project Cost Estimate	
<ul style="list-style-type: none"> Staff – All positions, Applicant must budget the Unit of Measurement by hour vs. by day. Staff – “OHV Area Manager GS-07”, costs have significantly increased from last year’s Ground Operations Project. Applicant must provide additional details to justify the increased costs. Materials/Supplies – “Personal Protective Equipment”, Applicant must provide more details on this item. Equipment Use – “WCF Polaris Ranger UTV Ownership R”, Applicant must provide more details on this item and how it will support the Project. 	
Evaluation Criteria	
<ul style="list-style-type: none"> #6 - Project Description does not support the “Providing an alternative to wet crossings...” Protecting special-status species” or “Protecting cultural site” selections. #7 – Project Description does not support “Signs, sign posts...” are made with recycled materials. 	

Ground Operations – Restoration	G16-02-02-R01
Project Description	
<ul style="list-style-type: none"> A- Applicant must explain how installation of water bars is related to Restoration Project. 	

Project Cost Estimate
<ul style="list-style-type: none"> • Staff- All line items- Applicant must revise all line items to identify the hourly rate and the number of hours needed to complete the Project. • Staff- OHV Coordinator- Applicant must explain position responsibilities. Statement that item is a place holder for Engineers is not an acceptable explanation. • Contracts- Heavy Equipment Operator: Applicant must change title as it appears to be a staff person. Applicant must specify source of match. Additionally, cost of contract seems excessive. Additional information is needed.
Evaluation Criteria
<ul style="list-style-type: none"> • #2- Applicant must provide information that Domestic water supplies listed are located within the Project Area. • #6- Applicant must select combination of OHV Trust Funds and operational budget as this is an extension of previously funded Grant and funds are being supplied by OHV Trust Fund. • #7- Applicant must list location of meeting with stakeholders, multiple distinct stakeholders and how they are stakeholders in the Project. • #8- Narrative does not support 4 or more partnerships. "Unpaid, un-named volunteer groups: are not valid organizations. • #10- Narrative does not support the selection. Applicant must explain how the underlying has been resolved prior to this Application. • #11- Project Description does not support selection of more than 10 acres of sensitive habitat being restored.
